Hassle-Free Annual Subscription

If you value clean, ethically raised local meat but don't have the time to go to the farmers market every week, here's the perfect solution:

***Monthly doorstep delivery of our delicious
pasture-based meats!***

What it Is

CSA stands for Community Supported Agriculture and involves an up-front payment from the member to fund the farm's production for the year in exchange for a share of product.

Our CSA is a year-long membership. We keep the inventory for you and deliver it once a month. This is a great option if you want automatic deliveries without the hassle of remembering to order and arrange pick up, or if you have limited freezer space!

What You Get

Pastured Pork - Fed Non-GMO grains, rotated on pasture

Pastured Chicken - Fed Certified Organic/Soy-Free Grains and moved to fresh pasture daily

100% Grass-Fed Beef - Rotationally grazed, dry aged

We hand-select a variety of seasonally appropriate cuts for you each month. Every delivery is a new mix of delicious meats!

Free Monthly Delivery

We deliver directly to your doorstep if you live within 50 miles of the farm.
